

Harvard PGP: COVID-19 Health Assessment for Week of 22-28 March 2020

Dear PGP Participants,

We hope this message finds you in good health. Right now we are seeing the devastating impact of COVID-19 all around us. Here at the Personal Genome Project, we see an opportunity in partnership with participants like you to help stem the tide of COVID-19 in a way that, as far as we know, is unique to PGP participants.

Below is a health status survey for you to fill out designed to help gain more information about our participants in relation to COVID-19. We will be sending out a new survey weekly for the next few months. As with all PGP phenotype (trait) and medical history surveys, the answers to these questions should be considered public and will be connected to your public PGP profile.

Link to the current PGP consent: https://my.pgp-hms.org/static/PGP_Consent_2017-04-21_online.pdf

Thank you,
Harvard PGP Staff

1. Please do not change. This field is auto-populated by the PGP and identifies which participant you are.

2. Since Jan 1, 2020, have you been ill with a cold or flu-like illness?

Mark only one oval.

- ☐ Yes
- ☐ No
- ☐ Unknown
- ☐ Prefer not to answer

3. Since Jan 1, 2020, have you experienced any of the following symptoms?

Note: Please consult your primary care physician or medical provider for any symptoms that are severe or concerning. To learn more about the symptoms of COVID-19, please see <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

Mark only one oval per row.

	Yes	No	Unknown	Prefer not to say
Persistent high fever of 38°C (100.4°F) or higher, lasting for a day or more	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Feeling cold, chills or shivers	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Headache	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Aches all over the body	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Cough	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

5. Are you regularly taking any of the following medications? Please choose all those that apply.

Note: A recent study in The Lancet ([https://www.thelancet.com/journals/lanres/article/PIIS2213-2600\(20\)30116-8/fulltext](https://www.thelancet.com/journals/lanres/article/PIIS2213-2600(20)30116-8/fulltext)) has suggested that patients that are treated with drugs such as ibuprofen and thiazolidinediones may have an increased risk of developing severe COVID-19. This is still under study. For all comprehensive summary about the current research regarding COVID-19 and ACE inhibitors and Angiotensin II Receptor Blockers (ARBs) see: <http://www.nephjc.com/news/covidace2>. If you have concerns about the medications you are taking, please consult your health care provider before making any changes to your medical regimen.

Check all that apply.

- ☐ Ibuprofen (eg. Advil, Midol, Motrin, Motrin IB, Motrin Migraine Pain, Proprinal)
- ☐ Rosiglitazone (eg. Avandia)
- ☐ Pioglitazone (eg. Actos)
- ☐ Azilsartan (e.g. Edarbi)
- ☐ Candesartan (e.g. Atacand)
- ☐ Eprosartan (e.g. Teveten)
- ☐ Irbesartan (e.g. Avapro)
- ☐ Telmisartan (e.g. Micardis)
- ☐ Valsartan (e.g. Diovan, Prexxartan)
- ☐ Losartan (e.g. Cozaar)
- ☐ Olmesartan (e.g. Benicar)
- ☐ Sacubitril/Valsartan (e.g. Entresto, Azmarda, Neprivas)
- ☐ Nebivolol/Valsartan (e.g. Byvalson)
- ☐ None of these medications
- ☐ Do not know
- ☐ Prefer not to answer

Other: ☐ _____

6. Have you been tested for coronavirus (COVID-19) by a medical doctor or other official testing service?

Note: If you are concerned that you or a family member may be infected with COVID-19, please contact your primary care physician or medical provider. To learn more about the symptoms of COVID-19, please see <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

Mark only one oval.

- ☐ Yes, and the test was positive for coronavirus (COVID-19)
- ☐ Yes, and the test was negative for coronavirus (COVID-19)
- ☐ No, I tried to get tested but could not get a test
- ☐ No, I have not tried to get tested
- ☐ Prefer not to answer

7. In the past 4 weeks, have you been in close contact with a person who has tested positive for coronavirus (COVID-19)?

Mark only one oval.

- ☐ Yes
- ☐ No *Skip to question 9*
- ☐ Prefer not to answer *Skip to question 9*
- ☐ Other: _____

8. How long ago was your contact with a person who has tested positive for coronavirus (COVID-19)?

Mark only one oval.

- ☐ In current contact
- ☐ 2-14 days
- ☐ Over 2 weeks
- ☐ Prefer not to answer
- ☐ Other: _____

9. In the past 4 weeks, have you been in close contact with a person who has symptoms consistent with coronavirus (COVID-19) but has not been tested?

Note: If you are concerned that you or a family member may be infected with COVID-19, please contact your primary care physician or medical provider. To learn more about the symptoms of COVID-19, please see <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

Mark only one oval.

- ☐ Yes
- ☐ No
- ☐ Prefer not to answer
- ☐ Other: _____

10. How long ago was your contact with a person who has symptoms consistent with coronavirus (COVID-19) but has not been tested?

Mark only one oval.

- ☐ In current contact
- ☐ 2-14 days
- ☐ Over 2 weeks
- ☐ Prefer not to answer
- ☐ Other: _____
